POSTCAPS

Diagram of postcap PC1-22. The cap is a simple, rounded, dome-like shape. Dimension A is the height from the top of the post to the top of the cap. Dimension B is the width of the cap at its base. The overall length is labeled as VARIES.

CODE #	A	B
PC1-22	2 3/8"	2 3/8"

Diagram of postcap PC2-44. The cap has a slightly more pronounced dome shape than PC1-22. Dimension A is the height from the top of the post to the top of the cap. Dimension B is the width of the cap at its base. The overall length is labeled as VARIES.

CODE #	A	B
PC2-44	4"	4 1/4"

Diagram of postcap PC3-45. The cap is a simple, flat-topped dome shape. Dimension A is the height from the top of the post to the top of the cap. Dimension B is the width of the cap at its base. The overall length is labeled as VARIES.

CODE #	A	B
PC3-45	4"	5 3/8"

Diagram of postcap PC4-64. The cap is a simple, flat-topped dome shape with a slightly wider base than PC3-45. Dimension A is the height from the top of the post to the top of the cap. Dimension B is the width of the cap at its base. The overall length is labeled as VARIES.

CODE #	A	B
PC4-64	6"	4"

Diagram of postcap PC5-33. The cap is a simple, flat-topped dome shape. Dimension A is the height from the top of the post to the top of the cap. Dimension B is the width of the cap at its base. The overall length is labeled as VARIES.

CODE #	A	B
PC5-33	3 1/2"	3 1/8"

Diagram of postcap PC6-63. The cap is a simple, flat-topped dome shape with a slightly wider base than PC5-33. Dimension A is the height from the top of the post to the top of the cap. Dimension B is the width of the cap at its base. The overall length is labeled as VARIES.
